Photo-Etched Detail Parts for the Serious Scale Modeler
in "HO", "O", 1/35" and 1/2"- Scales

PRODUCT BROCHURE

HO SCALE (1:87)

HO-Scale Fire Escape Kit # 0901 Our first kit and our #1 seller! This kit is .010" brass with 3 platforms, 3 stairways, 1 roof ladder, support brackets, stanchion, handrail & counterweight material, a ladder-bending tool and full-color instructions. **\$16.95 + \$ 3.00 S+H ***

* **HO-Scale Fire Escape Extension** Kit # 0901-X10

Is your building taller than 3-stories? Add extra levels without having to buy another complete kit. Our extension kit is designed to quickly & easily add additional levels to Kit 0901. Use the bending tool provided in Kit 0901 to bend the ladder. **\$ 6.95 + \$ 3.00 S+H**

* **HO-Scale Fences, Railings & Columns** Kit # 1001 Just **\$16.95 + \$ 3.00 S+H**

Add a touch of elegance to any building
This kit includes over 50-scale-feet of fencing with several stairway

and hand rail configurations. The ornate columns can be used flat or "boxed". The kit also includes our easy-to-follow full color instructions and brass stairway templates that will allow you to create stairways that match the pitch of the railings.

O-SCALE (1:48)

O-Scale Shopping Cart Kit #1101

15-piece 1/48th Scale Shopping Cart. This .010" brass kit is the perfect detail for your layout or diorama. The kit includes 2 pages of instructions with **17 COLOR PHOTOS**, a **Cart Basket Bending Guide** and styrene rod for the handle.

\$7.95 + \$ 3.00 S+H

ORDER DIRECTLY FROM OUR WEBSITE WITH PAYPAL!

O-Scale Fire Escape Kit #1004 \$34.95 + \$5.00 S&H

This craftsman kit features two ornate platforms, support brackets (including a few extra), roof ladder, stairway between levels and a working, hinged stairway to street level that can be posed either ‘up” or “down.” Also includes handrail stanchions and handrails, a Locator Template for mounting the fire escape on any building, a stairway folding tool and 8-pages of easy-to-follow instructions with **48 FULL COLOR** photos...plus... a few **Wildhare Modeling Tips** thrown in for good measure.

O-Scale Ornate Railings & Columns

Kit #1102 \$24.95 + \$3.00 S&H

This kit contains **59 separate pieces**, including columns, corner brackets, ornate trim, railings and a matching gate, that can be arranged to fit the building of your choice.

Etched in .010” brass, the kit pieces can be soldered or glued in any number of arrangements. The 10 column sections can be combined to create “L” or Boxed columns.

The kit includes a Parts ID sheet, soldering tips and some examples of the different ways the pieces can be combined.

1/35TH-SCALE

1/35th -Scale Shopping Cart Kit #1104 \$11.95 + \$3.00 S&H

Wildhare Models’ 1/35th Scale Shopping Cart duplicates our O-Scale version, but has been “up-sized” for the benefit of modelers who work in this larger scale. This .010” brass kit includes 2 pages of instructions with **17 COLOR PHOTOS**, a **Cart Basket Bending Guide** and styrene rod for the handle.

1/24TH -SCALE

Designed for 1/24th scale (1/2" = 1'), all these kits are suitable for large scales ranging from "1:20.3" through 1:25th.

1/24th Scale Bomber Seats, Spider Webs & Rivet Strips

\$24.95 + \$ 3.00 S+H Kit # 1201

From Rat Rods to Race Cars, the perfect interior touch. Each kit contains **2** .010" brass Bomber Seats (3/4" wide x 3/4" deep x 7/8" high), **2** half-round and **4** quarter-round Spider Webs (3/4" radius) and over **10"** of relief-etched Rivet Strips. This kit also includes 4 pages of detailed assembly instructions with **18 Color Photos** and a **How-To** on narrowing the seats to fit any early body style. Cut and shape the Spider Webs to fit your application, from grill, window and roof inserts to decorative trim. The Rivet Strips can be used to highlight body panels.

You'll Find Countless Uses For This Kit..!!

1/24th Scale Shopping Carts Kit # 1003 \$15.95 + \$ 3.00 S+H

A "must have" for large scale dioramas. Shopping Carts can be found around any storefront or in any vacant lot. These 1/2" scale Shopping Carts will fit into any "G" scale scene from 1:20 to 1:24th scale. The .010" brass can be sprayed with "Alcad" for a chrome finish or with Metalizers for a weathered look. Includes complete cart, seat, bottom tray, frame wire & bending template, wheel material and full-color instruction sheets.

1/24th Scale Milk Crates Kit # 1002 \$7.95 + \$ 3.00 S+H

Another easy-to-assemble detail with a multitude of uses in any large scale scene, these milk crates and hold tools, bottles, assorted junk and, or course, scale milk bottles!

Includes **FIVE** crates and complete, full-color instruction sheets.

1/24th Ivy Leaves & Vines
Kit # 1103 \$19.95 + \$ 3.00 S+H

This .008”x 3-1/2”x 5-1/2” brass sheet contains an assortment of leaves and vines that are designed for 1/24th scale but can be used as larger leaves in 1/35th and 1/48th scale. The brass is flexible so the leaves and vines can be bent, twisted and shaped without breaking.

See the “**Odds & Ends**” section for an assortment of fences and columns that would look great covered in ivy!

ODDS & ENDS

These are **LIMIT QUANTITY** items, not listed in our general catalog, that will be offered until they’re gone. They are generally experimental items or part of a limited edition. Unless otherwise noted, they are suited for several scales and a measure has been placed beside the parts to provide an idea of size.

These parts can be ordered directly, without going through the Wildhare website.
